

## Domaine Raspail-Ay Gigondas 2007

“Potentially the finest Gigondas made here since their sublime 1978, the 2007 exhibits gorgeously sweet black currant, kirsch, and mineral notes intermixed with hints of cigar box and forest floor. Full-bodied with elegance married to considerable substance and power, a beautifully textured mouthfeel, and a long, heady finish, this will be a long-lived Gigondas.”
