Vinification and Élevage: Green harvest and leaf removals are followed by hand picking parcel by parcel. Sorting takes place in the vineyards and again at the cellar. Fermentation in thermo-regulated stainless steel vats, after which the wines are racked into barrel. Slow malolactic fermentation in barrel, 2-3 months. Aging takes place in barrel for 12-18 months, 25% new barrique.

Tasting Notes: Bright, even ruby color. Fresh and baked blackcurrant nose. Ripe cassis fruit with mocha, smooth and lush textures. Well-balanced and stylish
