

# DOMAINE CHAMFORT

## CÔTES DU RHÔNE-VILLAGES SÉGURET "COTÉ INVERSE"

Domaine Chamfort is run by the energetic and irrepressible young vigneron, Vasco Perdigao. While Vasco is of Portuguese origin, he has fully integrated himself into the life of a vigneron in the southern Rhône as proprietor of the 16.5-hectare Domaine Chamfort in Sablet, at the northern edge of the Gigondas appellation. The combination of old vines, low yields and excellent southeast exposure results in full-bodied wines of great warmth and generous character, yet still very approachable.

**Vinification and Élevage:** Vinification follows traditional principles of the Southern Rhône Valley. The grapes are crushed and de-stemmed. Each varietal is fermented separately with indigenous yeasts. Fermentation is at low temperatures lasting about 30 days. A light racking in early winter is done to remove the coarsest lees, then aging on fine lees for 12 to 18 months in large wooden vats and concrete.

**Tasting Notes:** The color is intense ruby-purple. The nose offers profound notes of dark fruits (black cherries and black currants). A fleshy, full-bodied wine with that is intense and very persistent on the palate.
