

DOMAINE DE CRISTOL

CÔTES DE PROVENCE ROSÉ

Domaine de Cristol is part of the La Vidaubanaise cooperative which was founded in 1912. Situated on the slopes of the crystalline Maures Massif and the limestone foothills of the Pre-Alps, the area is well-suited for cultivating Mediterranean grape varieties such as Grenache, Cinsault, Syrah, Carignan and Mourvèdre. One wine is produced here, bottled in an elegant flute bottle that is a striking, modern expression of the traditional Provençal flute à corset.
